ADDITIONAL VERSE

I've learned something of love
I wish I'd known before you left me
But it's funny how you don't know what you've got
Until it's gone
And I hope you're getting all the love you've ever wanted
But I wish I was there
Sharing our morning sun

ADDITIONAL CHORUS

I waken to the sadness of the rain
And making love to strangers
And wishing I'd have known
Enough of love
To leave love enough alone
